

One Utility Bill makes bills hassle free and moving less stressful.

We work with One Utility Bill so you have one less thing to worry about during your move.

You'll hear from One Utility Bill before your move-in date to let you know:

- Your current utility suppliers
- Your options for switching
- Or the option to sign up for a handy One Utility Bill package

One monthly bill, zero hassle

- ☒ All your bills in one monthly payment
- ☒ Everything managed for you
- ☒ Pay only your share
- ☒ Never deal with a utilities company again

Why customers One Utility Bill

Unlimited Energy

Just like an unlimited mobile contract, use as much energy as you need without worrying about the bills.

The easiest way to split the bills

Everybody pays their share each month via an easy direct debit (which means you're protected by the Direct Debit guarantee).

More time, less stress

Take away some of the moving stress and set up your new bills in one step.

Easier finances

Simplify your bank statement, budget more easily and spend less time thinking about direct debits.

Pick and mix your perfect bills package

All packages include energy, and everything else is up to you. There's nothing to pay until your tenancy start date either!

Choose from:

Unlimited Energy

A service you can't get from a supplier! Use as much gas and electricity as you need with no over-usage charges, ever.

OR

Capped energy

Exactly what you'd get directly from a supplier, except it's wrapped into your bills package so it's easier to deal with.

Superfast broadband

Choose from tons of options at great prices from Sky and Virgin Media and get the broadband speed you need.

TV licence & packages

Watch things live with a TV licence and choose from the best Sky TV package deals available for endless entertainment options.

Unlimited water

Use as much water as you need without worrying about the cost.
